Purposes and programs of the organization and those for which funds are solicited

The Central MS Turtle Rescue provides rescue and rehabilitation for injured, sick, abused, neglected, or abandoned turtles and tortoises, with the goal of releasing all rehabilitated wild native turtles back to their natural environment or seeking adoptive homes for those that cannot be released. We also provide education to the public about turtle conservation, and provide pet turtle owners with education about proper husbandry, diet, and medical care.

Person Authorized to Receive Service of Process

A Registered Agent has been designated who has an office in Mississippi and is authorized to receive Service of Process.
